The Building Safety Group

Good afternoon!

Hope you are all enjoying the World Cup so far, although if your following England, you're probably enjoying it a lot less right now! Fingers crossed that the team have drunk their Lucozade before tomorrows game!

And at least it's a distraction from VAT rising to 20% in January 2011!

## NEW SITE SUPERVISORS SAFETY TRAINING SCHEME JULY DATE

With changes to the CITB grant due to take effect from 1 August 2010, we have had an increased demand for the management courses.

As a result, we will be putting on an extra SSSTS course in July at our training centre in Bristol.

Please contact me asap to register your interest.

Also, if you have 6 or more people we may be able to run a course at a venue of your choosing.

Email me at [RobP@bsgltd.co.uk](mailto:RobP@bsgltd.co.uk)

## PAY BY CARD!

A reminder - we now accept debit and credit card payments, in addition to cheque or BACs.

If you would like to pay in this way, please speak to our accounts department.

## NEW BROCHURE : RECOMMEND A FRIEND !!

The new BSG brochure has been printed and obviously we are keen for new companies to find out about the range of services we offer.

We would be grateful if you can recommend another company who would benefit from our services.

## OCCUPATIONAL HEALTH

---

We are now an Affiliate Member of 'Constructing Better Health'. With 1.7 million working days lost in 2008/09 at an estimated cost of £760 million, we recognise the need for delivered solutions for the pro-active management of construction specific work-related health.

We have been able to negotiate a 10% discount to join for our members. Benefits include CBH Database and Membership Cards, Helpline, a Construction Health Action Toolkit, and OHSP pre-contract advice.

For further information.
