

Keep the logo's coming in! There may also be space to include testimonials and any other information you'd like to see in the new BSG brochure. Please get in touch if you have any queries, or if there is specific information you would like to see in our news letter.

NATIONAL BESPOKE COURSES

If you have 6 or more delegates requiring training, please contact us to discuss a bespoke course.

Main Benefits:

- Held at your premises, so saves travel time/cost for the attendees
- Choose a date to suit you
- Gets the whole team trained at the same time
- Tailored to your specific requirements.
- Cheaper than sending 6 people on a course individually
- You choose the lunch!

Location	:	Your Premises		
When	:	Whenever you need		
Cost	:	Members:	from £375 + vat	Non-Members: from £400 + vat

MANUAL HANDLING HALF DAY COURSE

Ensure you are aware of the legal duties regarding manual handling operations at work

On successful completion the student will be able to demonstrate knowledge of the following:

- The statutory obligations placed on managers and others
- The criteria used when carrying out manual handling assessments
- The techniques used to reduce manual handling injuries
- Guidance on load handling in various positions and situations

Location	:	Bristol		
When	:	9am 20 April 2010		
Cost	:	Members:	£80 + vat	Non-Members: £100 + vat

CDM COORDINATOR 2 DAY COURSE

The two day course is designed for Company employees who will be expected to take on the role of CDM Co-ordinator on their own company's construction projects. It is not intended to enable students to act as Consultant CDM Co-ordinators in their own right.

The Delegate should have knowledge of the following:

- Have a basic knowledge of the CDM Regulations
- Be able to read drawings
- Have a basic knowledge in the Construction Industry

Location	:	Bristol		
When	:	9am 20 April 2010		
Cost	:	Members:	£335 + vat	Non-Members: £375 + vat

"I would like to thank you and Alan for the interesting and informative workshop on the new CDM regulations. Alan's delivery of the main points in regard to the course was excellent"
